

SOUTHEAST PROVINCIAL CONVOCATION 2013

Discover God's definition of success!

Matt 22:37

'You shall love the Lord your God with all your heart, and with all your soul and with all your mind.'

Today in our society there is a measuring rod for success. How much, how big and how famous are the benchmarks of success to the world. On television, in tabloids and in the social media arena we are bombarded daily with news and information of how the world defines success and failure.

How can we sort through the information overload? How can we look and see what God sees as success. In this rapidly changing world, we need to find time to spend at His 'footstool'. Here is where we will hear His message of abiding love. Here is where we will be equipped to stand against those false messages of success.

I urge you all to attend this year's convocation June 19 – 21st in Orland, FL. You will be renewed, you will be restored and you will become a burning one with the love of our Lord and Savior Jesus.
