

CEC Missions and Development Offering

The International Communion of the Charismatic Episcopal Church

Vision: CEC Development seeks to make self sustaining churches and dioceses in the developing world.

100% of all money collected goes directly to Africa, none is spend on travel, administration, or any other fees.

The money is managed cooperatively between the CEC-NA and the General Secretaries of the CEC in Africa. Each of the 3 General Secretaries receives 1/3 of the money raised. Of this, 20% is for mercy (relief, famine) the remaining 80% is used to create income producing micro-business.
